

## WOULD YOU HELP FURTHER FORMA?

### Would you make a two-year financial commitment to further the work of Forma?

A grassroots association of members of The Episcopal Church and kindred individuals and institutions, *Forma supports, networks, advocates for, resources, and celebrates* Christian formation leaders in their Christian formation ministries.

Forma has grown substantially in number of members, participation in and quality of annual conference and online resources, programmatic offerings like our new certificate programs, increased Church-wide recognition, and more.

In 2014 the board of directors named a working group to explore future growth. Their guidance:

- maintain current programmatic offerings, while increasing in size and vitality
- grow number of members/partners
- diversify members/leaders culturally/ethnically
- include more at-large members in leadership
- expand Church-wide advocacy efforts

The board adopted the working group guidance and has determined to hire paid staff to catalyze the furthering of Forma's ministry.

Forma is seeking members, friends, and other collaborators to resource a two-year period of expanding Forma's work. Commitments will fund an annual budget of approximately \$100,000 per year. During these two years board and staff will determine future activity and a revenue model.

The current Forma board and many other members are making their two-year financial commitments. **Would you join us, make a commitment, and help further Forma?**

## HELP FURTHER FORMA WITH YOUR 2-YEAR COMMITMENT

Name \_\_\_\_\_ Organization \_\_\_\_\_

Address/City/State/Zip \_\_\_\_\_

Phone \_\_\_\_\_ Email \_\_\_\_\_

My two-year commitment \$ \_\_\_\_\_ Are you currently a Forma member?  Yes  No
